Rustenburg – Over the past week, the *Platinum Weekly* was notified about three incidents where people had a close encounter with snakes. In a span of about 20 minutes, one of our readers encountered a full-grown puff adder and a Mozambican spitting cobra at her back door. As humans expand their territory, they start moving into the territory of other species. Inevitably, snakes will end up in yards and houses on smallholdings and the suburbs

– a thought that makes most people a bit uncomfortable. Regardless of how you feel about snakes, what is truly worrisome is the fact that there is a critical shortage of antivenom, should your snake encounter end up in a bite. South African Vaccine Producers (SAVP) are the only manufacturers of antivenom in South Africa. African Snakebite Institute's Johan Marais said that no stock is available from the manufacturers...

CRIME FIGHTING COLLABORATION

Rustenburg – Rustenburg police and business owners gathered at Agapé church on Thursday 24 March to find solutions for the drastic increase in business robberies in the area.

Rustenburg police acting station commander brigadier Joël Pheto said: "Criminals are terrorising our city. Conventional means of fighting crime are not working anymore and that is why we invited business owners to meet with us to get their input in the fight against crime."

During the third quarter of 2021, Rustenburg reported the highest number of burglaries at non-residential properties in the country. The Midtown Mall area, post offices, central business district (CBD), clothing stores and other stores that sell cellphones were especially targeted.

Public Safety director Keaobaka Boikanyo said that they want to 'revive' the CCTV system in the CBD and taxi rank area again. He believes that it would make a huge difference for the CBD. He also invited business owners to help finance the initiative.

The attendees included mining houses, security companies, mall managers, Telkom, Eskom, Rustenburg Community Policing Forum, and AfriForum. The stakeholders were given the opportunity to voice their concerns, give input and share ideas on combatting crime in Rustenburg.

North West Magalies View operation manager expert security knowledge (ESK) Wilma du Plessis said: "Various problems and solutions were discussed. We now just have to follow through with these solutions." All role players declared their willingness to support the Police.

Incidents can be reported to the Rustenburg Police Station radio control room on 014 590 4115/6/7 or at the Rustenburg Police Station service centre on 014 590 4127.

Segametsi's murderer sentenced to 15 years behind bars

Rustenburg – After three years of delaying tactics, Thabo Moabi was finally sentenced to 15 years in jail before the Bafokeng Magistrates' Court on Monday 7 March. Moabi murdered his 31-year-old girlfriend, Segametsi Molefe, on 26 March 2019. Molefe passed away due to the injuries she sustained after he brutally assaulted her. After the murder, Moabi requested his younger brother to get petrol in order to burn her body, but he refused, and the police were called to the scene. Police members searched the house and found Molefe's body underneath the bed on which Moabi was sitting, and was arrested. Molefe's 5-year-old child who was staying with her mother in Moabi's house was traumatised. She has

since been reunited with family members. The investigation was difficult due to the fact that the accused never showed remorse and used different strategies to delay the court procedure, for instance insisting on changing his legal representatives all the time. The case dragged on for three years. During this time, he also frequently indicated that he was ill and was hospitalised from time to time. "Due to his aggressive nature, members of the public were afraid of him and did not want to submit statements regarding the incident, even neighbours did not want to testify against him. The mere fact that he also did not even phone for medical attention, is an indication of the level of brutality the deceased had to endure at his hands," the police report reads.

LOST LION LOCATED, KILLED

Pilanesberg/ Sun City – A week ago, Pilanesberg management were notified about a lion that escaped from the park which also killed some goats on a farm to the west of the park. Teams were immediately deployed, and an aerial search was launched for the lion. The search continued for the next few days, and any reports of possible sightings of the lion were thoroughly investigated. On Saturday morning, 26 March, during another helicopter search of the area, the lion was spotted in an area not far from the goat kraal. The lion was approached with a vehicle and darted. According to North West Parks Board acting chief conservation officer Pieter Nel, initial sightings indicated that it was a female lion that escaped as it had no mane. However, after it was tracked down, they found that it was in fact a three-year-old male. They found the lion had a bullet wound which shattered its left-front shoulder and on advice from the consulting veterinarian, it was euthanised. The owner of the goats indicated he managed to fire a shot at the lion when it charged at him. Although in relatively good condition, the lion was covered with ticks and had quills of a porcupine in its month. It is suspected to have escaped through one of the floodgates in the fence that open when streams in the park are in flood. The North West Parks Board would like to thank the Pilanesberg Wildlife Trust, staff of the Black Rhino Landowners Association, the North West Department of Economic Development, Environment, Conservation and Tourism, field guides and staff of Pilanesberg Nature Reserve for their commitment to bring this episode to an end. "We are thankful no one was injured, and we also thank the community for their indulgence and support," Nel added.

R16,000 PETROL FRAUD LANDS COP IN JAIL

Tlhabane/ Rustenburg – A police officer allegedly connived with a petrol attendant in fraudulent activities which robbed the government of about R16,000 worth of fuel. Sergeant Moses Moeketsi and Susan Malunga were both arrested on Tuesday 22 March for fraud relating to state-owned motor vehicles and petrol cards. The two, who allegedly used petrol cards of three state-owned vehicles to claim fuel exceeding the number of kilometres actually travelled, appeared before the Bafokeng Magistrates' Court in Tlhabane on 23 March. The suspects, who allegedly committed these crimes from March to June 2021, were charged on 14 counts of fraud and one of defeating the ends of justice. Said police spokesperson brigadier Sabata Mokgwabone: "They would, after successfully claiming the money through fictitious transactions, share the cash between them." Moeketsi and Malunga are expected to appear again before the court on Tuesday 5 April 2022. It was not immediately clear if Moeketsi, who was stationed in Lethabong, would still be carrying out his duties as a police officer during the court appearances. North West provincial commissioner lieutenant general Sello Kwena applauded the anti-corruption investigation unit (ACIU) for the arrests and commitment in the fight against fraud and corruption.

Snake in the grass

Critical shortage of antivenom

Rustenburg – Over the past week, the *Platinum Weekly* was notified about three incidents where people had a close encounter with snakes. In a span of about 20 minutes, one of our readers encountered a full-grown puff adder and a Mozambican spitting cobra at her back door. As humans expand their territory, they start moving into the territory of other species. Inevitably, snakes will end up in yards and houses on smallholdings and the suburbs – a thought that makes most people a bit uncomfortable. Regardless of how you feel about snakes, what is truly worrisome is the fact that there is a critical shortage of antivenom, should your snake encounter end up in a bite. South African Vaccine Producers (SAVP) are the only manufacturers of antivenom in South Africa. African Snakebite Institute's Johan Marais said that no stock is available from the manufacturers... There is enough antivenom for emergencies only. Now that hospitals can't keep stock on hand, they will have to order from the SAVP and wait for it to arrive – when they encounter an emergency. "Polyvalent antivenom, which costs just under R2,000 per vial, covers the venom of mambas, most cobras, the rinkhals, puff adder and gaboon adder. Black mamba victims are usually started off with 12 vials but may require as many as 20 vials," Marais said. This is also troublesome for vets that have to treat animals that are bitten by snakes. The *Platinum Weekly* spoke to the SAVP about the antivenom shortage. They said that they are currently performing mandatory Good Manufacturing Practice validations and that routine production will commence once these validations are completed.

The African Snakebite Institute's website explains the intricate process of making antivenom. The snake venom used to make the antivenom is sourced from individuals and companies locally and elsewhere in Africa. The SAVP make antivenom by hyper immunising horses, a process that takes around nine months during which small quantities of snake venom are injected into horses, not enough to harm the horse, but enough to trigger its immune system. The amount of venom injected is gradually increased as the horse becomes more resistant to the venom. Once immune, blood is drawn from the horse at two-month intervals and the serum is removed from the blood, the latter is returned to the horse and the serum purified. It is bottled in 10ml vials in liquid form.

Puff adders and Mozambican spitting cobras are two snake species that are commonly found in our region.

Puff adder

A puff adder relies on its excellent camouflage. It gets its name from the way it inflates itself and hisses when threatened. Consider the hissing sound of a puff adder as

a warning. It has one of the fastest strikes of all snakes. Their venom is potentially cytotoxic, causing severe pain, swelling, blistering and in many cases severe tissue damage. Polyvalent antivenom is effective and should be administered immediately.

Mozambican spitting cobra

The Mozambican spitting cobra is fairly common and classified as very dangerous. Being spitting cobras, these snakes are able to project their venom

at a distance of about 2 meters. The venom of a Mozambique spitting cobra is cytotoxic, meaning those who are bitten experience tissue damage, accompanied by pain. However, a more serious condition arises if their venom comes into contact with a person's eyes as it can lead to blindness.

Environmental conditions like rain and warm weather increase snake activity. The phase of the moon, barometric pressure and prey and mate abundance also influence their activity.

Do you still write letters on paper?

There is just something about putting pen to paper. Receiving a letter written by hand is exciting and special. However, sending a message digitally is so much more convenient, quicker and still gets the message across.

No. With the level of technology nowadays and the internet, I think writing letters is outdated. I last wrote a letter some 15 years ago while I was still at school!

Kamogelo Molefe

No. I don't write letters anymore because technology is so advanced – it makes it so much easier to communicate with friends and family. I can communicate with them fast and efficiently.

SOULFOOD

PSALM 6

A Prayer of Faith in Time of Distress To the Chief Musician. With stringed instruments. On an eight-stringed harp. A Psalm of David. 6 O Lord, do not rebuke me in Your anger, Nor chasten me in Your hot displeasure. 2 Have mercy on me, O Lord, for I am weak; O Lord, heal me, for my bones are troubled. 3 My soul also is greatly troubled; But You, O Lord—how long? 4 Return, O Lord, deliver me! Oh, save me for Your mercies' sake! 5 For in death there is no remembrance of You; In the grave who will give You thanks? 6 I am weary with my groaning; All night I make my bed swim; I drench my couch with my tears. 7 My eye wastes away because of grief; It grows old because of all my enemies. 8 Depart from me, all you workers of iniquity; For the Lord has heard the voice of my weeping. 9 The Lord has heard my supplication; The Lord will receive my prayer. 10 Let all my enemies be ashamed and greatly troubled; Let them turn back and be ashamed suddenly.

We proudly support Impala Rugby Club!

Rustenburg – Impala Rugby Club head coach Joel Scherman is happy that more supporters will be allowed to watch their matches under the new Covid-19 regulations. The number of supporters allowed into stadiums and sports venues has been increased by the government in response to encouraging statistics indicating a reduced rate of the spread of the global pandemic. In his address to the country on Tuesday 22 March, President Cyril Ramaphosa announced new regulations allowing outdoor venues such as sport stadiums to carry 50% of their capacity. Before the announcement, the government had been restricting gatherings to a maximum of 2,000 people for outdoor activities and a maximum of 1,000 people for indoor events. Scherman, who lauded the new regulations, is anticipating that more supporters will turn out for the team's home matches. "A large and enthusiastic home crowd could influence the outcome of the match." Meanwhile Joe Engelbrecht, captain of the first team, is back in action after recovering from an ankle injury. "Lock Gerhard Cloete is also back in action. We are still looking for more players and those interested are more than welcome to report for training," Scherman said. This weekend Impala Rugby Club fill face Centurion in Pretoria. Watch this space!

Impala Rugby Club is banking on more supporters to turn out at their home matches.

Future Legends Football Club players

Football Legends in the making

Mogwase – As their name suggests, Future Legends Football Club focuses on grooming young players and assisting them to realise their dream of playing for established clubs in the South African Premier Soccer League (PSL). The club, which is based in Mogwase, was formed in October 2021 and competes in the Moses Kotane Local Football Association League. "The objective of our club is to play a meaningful role in the development of football in Mogwase by giving young players a platform to showcase their talent," said Simon Setibane, coach and owner of the club. "We currently have three teams, u/13, u/16 and u/17, but we are looking for more players," he added. Future Legends Football Club train at Unit 8 in Mogwase from Mondays to Fridays from 15:30 to 18:00.

On Saturday 26 March the club's u/13 team participated in a tournament held at Sun Village's sports grounds. The tournament was sponsored by Build it and also featured the likes of Royal Development, Royal Dragons, Dinwiddie, Robs Shinning Stars, Swelle Boys as well as Itireleng. "We lost our match to Itireleng and were knocked out of the tournament. However, the players learnt a lot from taking part in the tournament and the lessons will make them better players," explained Setibane. A major challenge for the club, Setibane added, is that they do not have permanent football grounds of their own yet. "At the moment, we are sharing our home ground with Royal Dragons Football Club; it's not sustainable in the long run," Setibane said. **For more information contact Simon Setibane on 078 8851 866.**

CROSS COUNTRY MOTORCYCLING

Michael Pentecost stole the show with a top-notch performance.

Rhenosterfontein, Rustenburg – Local motorcycling fans enjoyed the excitement of the second round of the 2022 GXCC series, held in Rustenburg on Saturday 12 March. It was a buzz of outdoor excitement.

Michael Pentecost from Kawasaki stole the show by winning the main event and proving to all and sundry just why he is very highly rated in the sport. Just like he did in the first round of the GXCC series, the Kawasaki defending champion was simply unstoppable as he coasted to his second win. Taki Bogiages finished second while Tyron Beverly came in third.

Tyron Beverly also put in a commendable performance.

"I had a great lead up to this race with my training and diet – thanks to my wife," said Pentecost after his win.

"And when we got here, our whole Franchise Co. Kawasaki team was in the right head space, so we were able to deliver an absolutely dominant ride. I made good start and enjoyed a flawless race, but it was rough and dusty, so I took no chances and just had a smooth day, despite Gareth Cole and my teammate Tyron also keeping the pressure on me. A special thanks to Harry Grobler and my very professional team," Pentecost said.

Taki Bogiages clinched second position.

UNITED RUGBY CHAMPIONSHIP

Lions vs Ospreys

Op Ellispark speel die Leeus weer goeie *ruggas* en klop die Ospreys gemaklik 45-15. Die Jo'burgers se kopdokter van Brakpan kan ook weer deurslaap want die Leeu brul weer uit volle bors. Vir die Leeus het die op-en-wakker *skrummie*, Morné van den Berg, die pap dik aangemaak en is die x-faktor vir die Leeus en word ook beloon met twee puik drieë. Burger Odendaal bou ook voort op sy vertoning en speel weer 'n groot rol met sy spel en as *cappie*. Edwill van der Merwe verbeter ook met elke *game* en dié spoedvaart druk 'n juweel-drie.

Sharks vs Edinburgh

Die Haaie het blykbaar hul vinne êrens op pad na die Haaitenk verloor want in gietende reën wen die Skotse besoekers 21-5. Dit was regtig 'n flou vertoning van die Haaie en op dié trant kan hulle net droom van 'n semi-finaal.

Vir Edinburgh het losskakel, Blair Kinghorn, 'n puik *game* opgedis en word ook beloon met twee puik drieë. Edinburgh sal ook versterk word vir hulle volgende *game* teen die Lions met die terugkeer van vier Skotse toets spelers, slot Grant Gilchrist, haker Stuart McInally, vleuel Darcy Graham, en die gewese Cheetah stut, WP Nel (wat in die Ses Nasies diens gedoen het).

Bulls vs Dragons

Op Fort Loftus is Bul se kind in 'n verwoestende bui en verwoes die Dragons, in Afrikaans die '*drakies*'. Wallis kon dusver nog nooit 'n toets wen teen die Bokke nie. Op die trant wat die Walliese klubs nou aangaan, gaan hulle dalk sielkundige behandeling moet kry na hulle toer in SA.

Die Bulle speel tans kookwater *ruggas* en druk agt puik drieë. Die Bulle se heelagter, Kurt-Lee Arendse, is tans die beste heelagter in die reeks. Hierdie gewese Blitsbok met sy verbysterende vaart en aftrap druk week na week skitterende

drieë. Die Bulle is tans sewende op die log en storm voort vir 'n plek onder die eerste vier.

Stormers vs Ulster

Drama in die Kaap... Die Stormers word gered van 'n neerlaag deur 'n omstrede beslissing van die TV *ref* en sy makkers. Ulster het 'n drie gedruk wat toegeken moes word. Maar sulke insidente gebeur maar in die wêreld van sport.

Die Kapenaars wen toe 23-20 en is nou op die sesde plek op die *log* met Ulster nog steeds op nommer twee.

Die verwagte tweestryd tussen die *young kid on the block*, Evan Roos en *the old maestro*, Duane Vermeulen, het nie teleurgestel nie. Roos het Vermeulen hard raakgery en die Springbok meters ver op sy rug neergesit. Roos is ook as speler van die wedstryd aangewys.
