Koster se huis van veiligheid

Koster – Cheryl Mastop is die huismoeder van 'n huis van veiligheid vir kinders in Koster. Deur die jare heen het sy al baie kinders onder haar dak gehad waarna sy omgesien het toe hul nêrens anders gehad het nie.

Sy het geweldige ondersteuning ontvang van die gemeenskap maar is afhanklik van skenkings en donasies om te verseker dat die kinders onder haar toesig veilig maar ook goed versorg kan word. "Ons wil vir hulle nie net 'n plek gee om te bly nie, maar 'n huis waar hulle soos deel van 'n gesin kan voel," het Mastop in 'n onderhoud met Platinum Weekly gesê.

Een van hul leerders, 'n matriekleerling, presteer akademies puik. Hy wil bittergraag medies gaan studeer, maar om die droom 'n werklikheid te maak, sal hy 'n beurs nodig hê.

Mastop wil graag baie dankie sê vir die volgende mense wat hul gereeld ondersteun:

- Jossie de Villiers en Jumarie Palm
 - Plank Teessen en sy span Wilma Cave
 - Die Derby gemeenskap
 - · Pastoor Jaco van Uncaged Bikers Club
 - · Mari en Santa, Koster Skool Gekombineerd
 - · Sakkie Pieterse van Platinum Build it.

Derby vuurvegters is reg vir aksie

Derby – Derby Buurtwag het twee vuurvegters aangeskaf om te help met brandbestryding ingeval van nood. Die inisiatief is moontlik gemaak deur die fondse wat hulle ingesamel het met hul worsbroodjie en hamburger verkope in die dorp.

Die nood vir 'n vuurvegter is raakgesien na 'n inwoner se lapa afgebrand het en die gemeenskap gespook het om die vuur

Die eerste vuur-wa was maar in 'n slegte toestand toe hulle hom gaan haal het by die Zeerust tolhek, maar te danke aan Micheal Fourie is hy netjies gerestoureer. Die raamwerk is reggebuig en oorgesprei. Die brand-wa beskik ook nou oor 'n splinternuwe pomp en motor.

Die tweede vuurvegter is anderkant Boons gekoop - hy het nog 'n motor en pomp opgehad, maar die motor het nie gewerk nie. Derby Buurtwag lid Daugs Pretorius is 'n paneelklopper en het hom netjies oorgesprei terwyl voorsitter Peet Els (wat in pompe spesialiseer) die motor en die pomp

Dié vuurvegters word gewoonlik deur boere gebruik om veldvure te blus en kan 500 liter water elk bevat. Omdat daar nie 'n brandweerstasie op Derby is nie, sal die vuurvegters die gemeenskap 'n groot hupstoot gee indien daar 'n brand in die gemeenskap uitbreek.

Several claims are also made that water tanks are promised... but never seen.

In one instance, Koster Dierekliniek almost had to reschedule all their surgeries after an urgent request for water never arrived. Policies in place to assist pregnant learners

Rustenburg - The Department of Basic Education and the Department of Health launched their national policy on the Prevention and Management of Learner Pregnancy in Schools at Platinum Village Secondary School on Thursday 17 February. Through this policy they hope to create a supportive environment where pregnant learners can be retained in school during their pregnancy and give birth without the fear of discrimination. The department will also provide support to pregnant learners and assist with access to professional advice, information, referrals, treatment, care and counselling.

"We appreciate the fact that the Department of Health and the Department of Basic Education have launched this policy. It will go a long way in assisting learners to still make education a priority while pregnant or after childbirth," said Platinum Village Secondary School principal Patty Molokodi.

JUSTICE FOR 14-YEAR-OLD RAPE VICTIM

Brits - Two men were sentenced to life imprisonment by the North Gauteng High Court on Friday 4 March after they were convicted of gang raping a 14-year-old minor in Letlhabile near Brits.

A 27-year-old man and his 32-year-old coaccused were found guilty on charges of kidnapping, rape, armed robbery and assault related to a 2019-incident involving the minor. They

will be in jail for at least 25 years, but the sentences will run concurrently.

Another man – aged 26 – was sentenced to 15 years in jail after he was convicted on charges of robbery also related to the same incident. A fourth suspect was not charged because evidence could not link him to any of the crimes.

The state proved in court that on 25 December 2019 three men approached the girl in Lethlabile near Brits while she was walking next to the road with a male friend. The girl and her friend were coming from a music festival when they were confronted by the men.

Said police spokesperson lieutenant colonel Amanda Funani: "One of the males grabbed the victim and took her to the nearby bushes. He and one of his companions took turns to rape her. They then forced the girl's male friend to rape her. The third suspect, a 26-year-old man, left the scene with the victim's cell phone."

Impala rugby coach earning his stripes

for the 2022 Gold Cup has left head coach Joel Scherman beaming with pride.

They achieved this milestone by becoming champions of the Leopards Rugby Union (LRU) with a victory over Klerksdorp Rugby Club on Saturday 4 March.

That win means Impala will have another crack at the prestigious Gold Cup – a title they last won in 2019 with a 37-31 margin over Durbanville-Bellville in Rustenburg.

While the 2022 Gold Cup matches are only due to start towards the end of the current season, everything is certainly going according to plan for Scherman. He is well on his way to achieving his objective of transforming Impala into a well-oiled machine capable of winning titles consistently.

"Our goal for Impala this season is to make the team competitive," Sherman told Platinum Weekly in an interview. "We want to bring the community back to the matches and hopefully, with good rugby, the sponsors will follow. It is important for the club to reach out to the community because together we are stronger"

"I played for the first team for both schools and in 1985 (my matric year), I was selected to take part in the trials for the North West Country District team. It was very competitive, and I did not make the cut." Scherman said.

A young Scherman – who was comfortable playing either at full back or flyhalf - continued playing rugby after high school.

He joined the South African Police Services (SAPS) in 1986 and was stationed in Rustenburg as a detective. "I played rugby for the Rustenburg police as well as Rustenburg Impala clubs. I also played for the North West Country Districts." However, a serious injury in 1989 that saw

Scherman breaking his leg dealt a huge blow to his aspirations as a rugby player. "It was a long road to recovery and when I came back, I played as a loose forward, but realised that my best playing days were behind me," Scherman said. It is at

Rustenburg - Impala Rugby Club's qualification this point that Scherman decided to venture into coaching.

"I started coaching at Impala Rugby Club in 2008. I handled the u/19 team for seven years before I left for Pretoria University where I coached the u/20 and u/21 teams. I also coached the Limpopo Bulls u/19 and Leopards u/20 country district sides," he

Prominent players Scherman has coached include WJ Steenkamp, Keegan Johannes (now both playing for the Bulls) as well as Xander Potgieter who is now with Griquas.

His return to Impala Rugby Club for the 2021 season as head coach saw the team finishing top of the log in the President's League - an achievement that saw them being promoted to the more competitive Carlton League.

Passionate about giving back to a sport that has become a focal point of his life, Scherman also coaches young players at his International Rugby Academy of Excellence, which is based in

Scherman describes his 22-year marriage to his wife Belinda as "the best! My wife supports me Scherman, who was born in the Free State on 2 $\,$ all the way. We have two children, a son and a November 1967, is not a stranger to the Rustenburg daughter. They all played sports while growing up

Impala Rugby Club head coach Joel Scherman is on a mission to win the Gold Cup.

BE THE CHANGE

Food parcels handed over to members of the Bapong community.

Bapong - Growing up with a single mother, Kamogelo Masilo knows that life can sometimes be difficult. She decided early on that she will work hard to change the situation in her own community. To follow her dream, she started her own non-profit organisation called A Re Aganeng Community Centre (based in Bapong). Through this organisation, she and her helpers donate food to unemployed, elderly and orphans to make life a little easier.

With the assistance of Sun City's social enterprise development manager Khumo Magano and his colleagues, they handed out various donations to the Bapong community. In January, food parcels were handed out and on Wednesday 23 February and 25 February, school uniforms and linen were donated. If you would like to contribute, contact Kamogelo on 064 090 7712.

Poll: Do you think that white lies are sometimes justifiable?

All lies don't get told with malicious intent and being brutally honest might in some cases create unpleasantness. But a lie is a lie no matter how big or small... Yea or nay?

No. If a white lie will cause harm, then it is wrong and therefore not justifiable.
For example...
Is my employee competent? A white lie to cover incompetence cannot be justified, because it will cause harm to the company.

Sandile Adonis

No. Whether it is a white lie or not, it cannot be justifiable because it is still a lie. If you lie knowingly and consciously, it is wrong.

PSALM 3

The Lord Helps His Troubled People

A Psalm of David when he fled from Absalom his son.

1 Lord, how they have increased who trouble me! Many are they who rise up against me. 2 Many are they who say of me, "There is no help for him in God." Selah 3 But You, O Lord, are a shield for me, My glory and the One who lifts up my head. 4 I cried to the Lord with my voice, And He heard me from His holy hill. Selah 5 I lay down and slept:

I awoke, for the Lord sustained me. 6 I will not be afraid of ten thousands of people

Who have set themselves against me all around.

7 Arise, O Lord;
Save me, O my God!
For You have struck all my enemies on the cheekbone;
You have broken the

teeth of the ungodly. 8 Salvation belongs to the Lord. Your blessing is upon Your people. Selah

RHS IS SÚPER GOED!

RHS se superinterhoërspan by Ruimsig.

Rustenburg - Rusties trap vas by dié jaar se Superinterhoër wat by Ruimsig plaasgevind het op Woensdag 2 Maart.

Hoërskool Rustenburg (RHS) het algeheel derde gekom met 715 punte by die Superinterhoër byeenkoms en spog met 15 eerste plekke, 22 tweede plekke en 28 derde plekke. Die Rusties het werklik gewys dat hul #GoedBeterRusties is!

Rustenburg – Impala Rugby Club's 25-23 victory over Klerksdorp Rugby Club on Saturday 5 March booked them a place in the 2022 edition of the Gold Cup, to be contested towards the end of the current season.

Impala - who battled hard at the Leopards Stadium in Potchefstroom against an unyielding opponent eventually clinched the game through Driekus Blignaut's drop goal. As the final score-line suggests, the match was a tightly contested affair throughout.

Impala's victory over Klerksdorp means they will now represent the Leopards Rugby Union during this year's Gold Cup. "The Gold Cup is a national tournament, just like the Currie Cup. So, the victory over Klerksdorp was very significant for us," Impala head coach Joel Scherman told Platinum Weekly.

He credited the win to a strong work ethic within the team and pointed out that attention will now be on improving their shortcomings during the season in preparation for the Gold Cup. "There is bound to be a huge interest from other rugby players because of our qualification in the Gold Cup. This is likely to increase the competition in the team and will result in a good standard," Scherman added.
